CIOCIARIA

Land of Italian Borgos and Orange Flags by the Touring Club

The Ciociaria, rich in history and tradition, stands out for its enchanting villages, authentic treasures of beauty and authenticity.

Traversing this land, one immerses in an unforgettable journey through the ancient cobbled streets and picturesque squares of its historic centers. The Ciociarian villages, characterized by medieval and Renaissance architecture, jealously guard the evidence of a past rich in charm and mystery.

The recognition of the Orange Flags by the Italian Touring Club underlines the uniqueness of these places, rewarding their authenticity and the hospitality of their inhabitants. Each village tells a unique story, offering visitors authentic and unforgettable experiences.

Discovering the Ciociaria means immersing oneself in a world of suggestions and hidden beauties, where time seems to stand still, offering timeless emotions.

BORGHI D'ITALIA

The "Borghi d'Italia" initiative promotes and enhances the small historic centers of Italy, recognizing them as authentic jewels of beauty, culture, and tradition.

- ☐ ATINA
- ☐ BOVILLE ERNICA
- ☐ CASTRO DEI VOLSCI
- ☐ PICO

ATINA

Atina, an enchanting village in Ciociaria, seduces visitors with its cobblestone streets and ancient palaces. Dominated by the striking silhouette of the Ducal Castle, Atina tells millennia-old stories through its monuments and folk traditions.

BOVILLE ERNICA

Boville Ernica, a village perched on the Ernici Mountains, enchants with its winding alleys and breathtaking views. Its medieval walls and clock tower bear witness to its historical past, while its tranquil and authentic atmosphere captures the hearts of visitors.

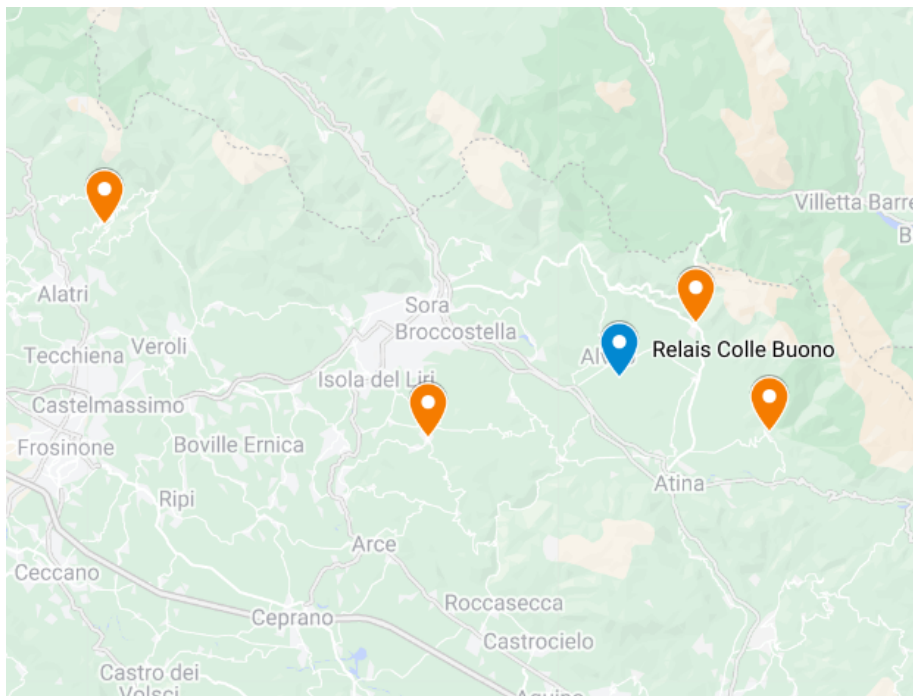

CASTRO DEI VOLSCI

Castro dei Volsci, a jewel of the Sacco Valley, surprises with its stone houses and ancient churches. Wrapped in a fairy-tale atmosphere, this village preserves its traditions and rural charm intact, inviting travelers to get lost in its picturesque streets.

PICO

Pico, nestled among the hills of Ciociaria, welcomes visitors with its picturesque squares and historic palaces. Its winding streets lead to breathtaking views of the surrounding countryside, while its artistic and cultural heritage tells the story of this fascinating medieval village.

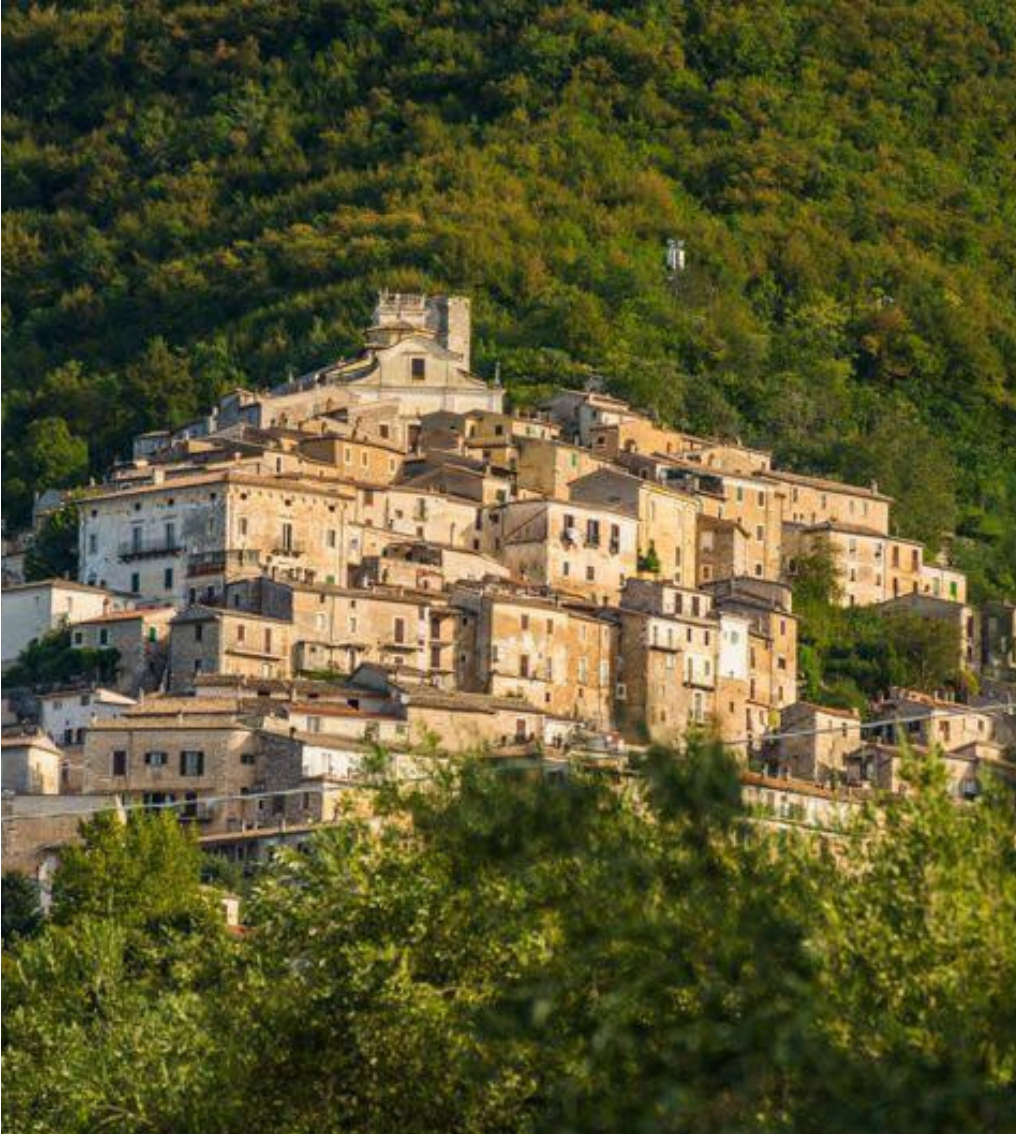

ORANGE FLAGS OF THE TCI

The "Orange Flags" of the Touring Club Italiano identify places of excellence and authenticity in the Italian tourist landscape. This initiative rewards territories that stand out for their scenic beauty, cultural richness, and hospitality, promoting the discovery of authentic destinations off the beaten path.

- ☐ ARPINO
- ☐ COLLEPARDO
- ☐ PICINISCO
- ☐ SAN DONATO VAL DI COMINO

ARPINO

Arpino, a village with ancient roots, captivates with its cobblestone streets and stone houses. With its rich historical and artistic heritage full of charm, Arpino invites visitors to immerse themselves in the evocative atmosphere of times past.

COLLEPARDO

Colleparado, nestled among the green hills of Ciociaria, conveys a sense of peace and authenticity. With its ancient churches and breathtaking views, this village offers visitors a unique experience of tranquility and natural beauty.

PICINISCO

Picinisco, dominated by the majestic silhouette of Mount Meta, enchants with its rustic and unspoiled atmosphere. Its narrow streets and stone buildings tell ancient stories, offering visitors a journey through the traditions and culture of Ciociaria.

SAN DONATO VAL DI COMINO

San Donato Val di Comino, surrounded by imposing mountains and lush valleys, offers authentic and unforgettable experiences. With its ancient dwellings and breathtaking panoramic views, this village embodies the authenticity and charm of mountain life, inviting visitors to explore its hidden treasures.
